

EDDIE Ramirez

Cirque du Soleil – Casting Team Nuevo Vallarta, México

As a lifelong performer with over 15 years of experience in acrobatic dance, I'm thrilled to submit my application for the Aquatic Performer role in your upcoming LUDO Dinner Show. This opportunity feels like the perfect blend of my creative passions and physical discipline—on stage and underwater.

My performance background spans from breakdance, capoeira, and aerial dance to Latin and Afro-Caribbean rhythms, allowing me to move with agility, emotion, and authenticity in high-energy and narrative-driven pieces. Over the past 5 years, I've developed a deep passion for swimming, dedicating my training to aquatic performance with a strong focus on the butterfly stroke. More recently, **I've incorporated apnea techniques, currently reaching up to 25 meters of underwater distance on a single breath.**

Beyond my physical artistry, I am also a passionate graphic designer with professional experience in branding and visual storytelling—skills I believe enrich my stage presence and contribute to the creative universe of any production.

As a proud Mexican resident, I would be honored to contribute to Cirque du Soleil's legacy of innovation and magic through this unique production in Nuevo Vallarta.

Thank you for considering my profile. I would be thrilled to audition or provide further material to support my application. I'm ready to dive into the next chapter—literally and artistically.

Sincerely:
Eddie AKA B-Boy Fish
